Dear Mr. Braxton:

This is to acknowledge receipt of your request, dated November 25, 1987, for permission to transfer certain Atlas documents from confidential files to files in the public documents room.

Further, this grants permission to the Division to transfer the documents described in your letter. Specifically, those documents are:

1. Annual reports from the late 1970's.
2. Maps which show existing and proposed disturbed areas, but which do not show claim boundaries.

It is our understanding that maps showing claim boundaries will remain confidential until the Division returns them to Atlas.

Sincerely,

Richard E. Blubaugh
Regulatory Affairs Manager
